### **CANADIAN SPIRIT RESOURCES INC. ANNOUNCES LICENCING OF FIRST JOINT VENTURE WELL**

**Calgary, AB May 6, 2008 – Canadian Spirit Resources Inc. (“CSRI” or the “Company”)** (TSXVENTURE:SPI) (OTCBB:CSPUF) announces receipt of a drilling licence for the first well in a two well program to evaluate the Montney and other deep formations on its lands at Farrell Creek in northeast British Columbia. This Montney appraisal well, to be located at 5-5-83-24 W6M, will be drilled pursuant to a joint venture arrangement (see News Release dated March 19, 2008) at no cost to the Company. The well is expected to spud in June 2008 immediately following the removal of weight limits on public access roads in the area. Drilling to target depth is expected to take approximately seven weeks.

CSRI is a natural resources company focusing on the identification and development of opportunities in the unconventional gas sector of the energy industry. The mission of the Company is to develop 1 tcf of natural gas from unconventional resource plays in western Canada. The Company has identified a 1.8 tcf discovered resource play (see News Release dated May 8, 2007), assembled a unique, 100 percent working interest land position in approximately 40,000 gross acres in northeast British Columbia and is currently evaluating the productive capability of its principal resource property at Farrell Creek, British Columbia.
