### **CANADIAN SPIRIT RESOURCES INC. ANNOUNCES PRIVATE PLACEMENT**

/NOT FOR DISTRIBUTION TO U.S. NEWS WIRE SERVICES OR DISSEMINATION IN THE U.S./

**Calgary, AB October 9, 2020 – Canadian Spirit Resources Inc. ("CSRI" or the "Corporation") (TSXV:SPI) (OTCBB:CSPUF)** is pleased to announce that it is proposing to undertake, subject to TSX Venture Exchange approval, a non-brokered private placement offering of up to \$1,000,000 (the "**Offering**"). The Offering will be comprised of up to 20,000,000 units of the Corporation ("**Units**") at a price of \$0.05 per Unit. The Offering is expected to close by the end of October 2020.

Each Unit will consist of one common share in the capital of the Corporation (a "**Common Share**") and one-half of one Common Share purchase warrant (a "**Warrant**"). Each whole Warrant will entitle the holder to purchase one Common Share at a price of \$0.08 for a period of two years after closing of the Offering.

All the securities issued pursuant to the Offering will be subject to a four-month restricted resale period under Canadian securities laws.

The net proceeds of the Offering will be used for various field activities and initiatives, and for general corporate purposes.

It is anticipated that the Offering will be a related party transaction under *Multilateral Instrument 61-101 – Protection of Minority Security Holders in Special Transactions* ("**MI 61-101**") as Elmag Investments Inc., an insider and control person of the Corporation, has notified the Corporation that it intends to participate in the Offering. It is anticipated that the Offering will be exempt from the formal valuation and minority shareholder approval requirements of MI 61-101 as the fair market value of the insiders' participation in the Offering will not exceed 25% of the Corporation's market capitalization. The Offering has been approved by the members of the Board of Directors of the Corporation.

CSRI is a natural resource company focusing on the identification and development of opportunities in the unconventional natural gas sector of the energy industry.

#### **Forward-looking Information Cautionary Statement**

This press release contains forward-looking statements. More particularly, this press release contains statements concerning the terms of the Offering. The forward-looking statements in this press release are based on certain expectations and assumptions made by the Corporation. Although the Corporation believes that the expectations and

assumptions on which the forward-looking statements are based are reasonable, undue reliance should not be placed on the forward-looking statements because the Corporation can give no assurance that they will prove to be correct. Since forward-looking statements address future events and conditions, by their very nature they involve inherent risks and uncertainties. Actual results could differ materially from those currently anticipated due to a number of factors and risks. These include, but are not limited to, risks associated with adverse market conditions, the TSX not approving the Offering. Forward-looking statements are based on estimates and opinions of management of the Corporation at the time the statements are presented. The Corporation may, as considered necessary in the circumstances, update or revise such forward-looking statements, whether as a result of new information, future events or otherwise, but the Corporation undertakes no obligation to update or revise any forward-looking statements, except as required by applicable securities laws.
